

FINGER LAKES - NY

June 20 – 24, 2025

TRIP REPORT

Our wonderful Sunrise Birding group at the Cornell Lab of Ornithology

Finger Lakes - New York - 2025

20th June –24th June 2025

TOUR SUMMARY:

The Sunrise Birding tour to the Eastern Finger Lakes region of Central New York was designed to look for warblers and other birds in the mornings and then to look for Orchids and flowers in the afternoons. This was a completely new concept which actually worked out very well, and we all enjoyed seeing 20 species each of both warblers and orchids. Our arrival had us visit a small stream running into a pond. Here we found our first 3 orchids. Shinning Ladies' Tresses, Green Bog Orchid and Northern Green Orchid. The next full day had us visit several fen, bogs and ponds. We started the day listening to birdsong in the forest before seeing our first warblers, including Pine, Chestnut-sided, Magnolia, Blackburnian, Black-throated Green and Mourning Warbler. A visit to a very spongy bog found us White-fringed Orchid, Rose Pogonia, Grass Pink and also the very localized and hard to find Southern Twayblade Orchid. There were also 2 species of sundew, pitcher plants, and this unique place was a highlight for everyone. During the rest of the day, we visited more sites and found Ragged Green-fringed Orchid, Tubercled, Little Club-spur and Broad-leaved Helleborine. We visited the house of a lovely gentleman who took us into his 165-acre backyard where he showed us a beautiful flowering Round-leaved Orchid, and some Early Coralroot, which were mostly in seed. This day added a few more warblers with good views of Black-throated Blue, Nashville, Canada Warbler, and Northern Waterthrush. So, we were up to 14 species of warbler and 14 species of orchid with 9 of these in good bloom. The next full day had us searching for more warblers and we connected with Hooded, Blue-winged, Mourning, American Redstart. Several wetland areas produced Greater Purple-fringed Orchid, Downy Rattlesnake Plantain, and some Pink Lady's Slippers that had gone over. We also saw Red Eft Newts and some cool looking fungi. The finale of the day took us to a rich fen where we had over 350 Showy Lady's Slipper orchids, plus a single Fen Orchis, and several Tall White (Bog Candle) Orchids. Tracy entertained us all by showing how deep the bog was !! and, all in all, we had a fantastic day. On the second-to-last day we visited the Montezuma National Wildlife Refuge Complex and were treated to several waterfowl species, Sandhill Cranes, Black Terns, Bald Eagles, but also Cerulean and Prothonotary Warblers! On our final day we got to see a Ragged Green-fringed Orchid that was blooming, and then visited the Cornell Lab of Ornithology. It was a wonderful group and we all had fun being guided by Matt, who had worked very hard to find the birds and orchids we were looking for. Many thanks from us all.

HIGHLIGHTS: Either for rarity value, excellent views or simply a group favourite.

- 350+ Showy Lady's Slipper
- Greater Purple-fringed Orchid
- Southern Twayblade Orchid
- Tall White (Bog Candle) Orchid
- Ragged Green-fringed Orchid
- Fen Orchis
- White-fringed Orchid
- Tubercled (Pale Green) Orchid
- Northern Green (North Wind) Orchid
- Green Bog Orchid
- Shinning Ladies' Tresses
- Little Club-spur Orchid
- Early Coralroot
- Broad-leaved Helleborine
- Hooded Warbler
- Prothonotary Warbler
- Cerulean Warbler
- Blue-winged Warbler
- Ovenbird
- Blackburnian Warbler
- Mourning Warbler
- Nashville Warbler
- Canada Warbler
- Black-throated Blue Warbler
- Pine Warbler
- Magnolia Warbler
- Northern Waterthrush
- Black-throated Green Warbler

Our tour started with some of the group arriving at Syracuse Airport. Once we were all together, we made our first visit to a calcareous swampy stream, not too far from our accommodation in Cortland, New York.

Our first orchids included some superb Shining Ladies' Tresses and both Northern Green and Green Bog Orchids.

Shining Ladies' Tresses (*Spiranthes lucida*)

Northern Green Orchid (*Platanthera aquilonis*)

Green Bog Orchid (*Platanthera huronensis*)

The Round-leaved Sundew (*Drosera rotundifolia*) was plentiful at this spot

Although our focus was on Orchids and Warblers, as most people know, we are naturalists and we look at everything.

This was a Dot-tailed Whiteface (*Leucorrhinia intacta*) a bog specialist.

The Red-spotted Admiral (*Limenitis arthemis*) showed off feeding on the road side

On our second day it was time for our first batch of warblers for the trip, all in spectacular scenery.

Birding beside one of numerous lakes

A Chestnut-sided Warbler sings its heart out

Our first Black-and-white Warbler of the tour – photo by Meera Mahadevan

One of the favorites was the Canada Warbler, but the bright Blackburnian also takes some beating.

A nice Black-throated Blue Warbler

An Eastern Tiger Swallowtail

A couple of butterflies – the Long Dash and Northern Crescent

We then moved on to a beautiful floating bog, a new experience for many people.

This wonderful Bog held many rare and fascinating plants. Below is the White-fringed Orchid

Tuberous Grass Pink Orchids were common

The bog was filled with Purple Pitcher plants. The tall flowers stood nearly two feet and the carnivorous pitchers were everywhere.

This was a great place to see Nashville Warblers and this one gave us excellent views.

The Rose Pogonia and Tuberous Grass Pink Orchid

It may not look much, but the Southern Twayblade is an extremely rare and localized orchid.

We visited the house and gardens of Matt's good friend Jerry and were taken to see the only Round-leaved Orchid around.

After our forest walk to the orchid, we found a few fungi and this Salmon Eggs Slime Mold.

While in the forest we found a few Red Eft – the terrestrial stage of the Red-spotted Newt

Next was a lovely forest reserve where we saw all sorts of wildlife. The misty forest stream was very atmospheric, while the Greater Purple-fringed Orchid was outstandingly beautiful.

These Downy Rattlesnake Plantain Orchids were not yet in flower, and nearby we got distracted by a very shiny Hemlock Varnish Shelf Fungus.

Finally, after hearing them sing every day, we got great views of an Ovenbird.

We moved on to a wet meadow where a group of Bog Candle Orchids were found.

It was then time to visit a hidden bog where the spectacle awaiting us was almost breath-taking. Altogether we saw more than 350 of these beautiful Showy Lady's Slipper Orchids.

And here are a few more Showy Lady's Slipper Orchids.

A happy group of orchid spotters

Showy Lady's Slipper

More Showy Lady's Slipper Orchids

Mmm! What happens in a bog in New York, stays in a bog in New York.

There were a few dragonflies in the orchid bog, but most people were mesmerised by the orchids.

Female Widow Skimmer

Emerald Spreadwing

Our last day saw us revisit an area to get better views of Hooded Warbler which we were successful.

Our last target warbler was the bright
Prothonotary Warbler.

We also got our best views of Common
Yellowthroat.

Our visit to Montezuma Wildlife Refuge had many birds including these entertaining Purple Martins.

We also got two groups of Sandhill Cranes totalling 9 birds

After seeing several Ragged Fringed Orchids that were not in bloom,
we finally got one that had just started blooming – fabulous!

And so, our fabulous Warbler & Orchid trip was over. With great memories of
these and much more with a wonderful group, full of fun and laughter.

WILDLIFE LIST for Finger Lakes 2025

A = Number of species recorded on tour

B = Number of days out of 4 recorded C = Highest daily count

H = Heard Only by Ear (not Merlin) N/C = No Count C=Common

This bird list is in line with IOC WORLD BIRD LIST v(14.2) and as such names may be different than some of the field guides and other taxonomy's – any additional notes see appendix *

A	BIRD SPECIES	SCIENTIFIC NAME	B	C
1	Canada Goose	<i>Branta canadensis</i>	4	18
2	Trumpeter Swan	<i>Cygnus buccinator</i>	1	4
3	Sandhill Crane	<i>Antigone canadensis</i>	1	10
4	Wood Duck	<i>Aix sponsa</i>	1	6
5	Green-winged Teal	<i>Anas carolinensis</i>	1	12
6	Northern Shoveler	<i>Spatula clypeata</i>	1	4
7	American Wigeon	<i>Mareca americana</i>	1	4
8	Mallard	<i>Anas platyrhynchos</i>	1	20
9	Redhead	<i>Aythya americana</i>	1	8
10	Ruddy Duck	<i>Oxyura jamaicensis</i>	1	2
11	Hooded Merganser	<i>Lophodytes cucullatus</i>	1	4
12	American Coot	<i>Fulica atra</i>	1	2
13	Common Gallinule	<i>Gallinula galeata</i>	1	4
14	Pied-billed Grebe	<i>Podilymbus podiceps</i>	1	2
15	Great Egret	<i>Ardea alba</i>	1	2
16	Great Blue Heron	<i>Ardea herodias</i>	2	4
17	Rock Pigeon (Feral Pigeon)	<i>Colomba livia</i>	4	N/C
18	Mourning Dove	<i>Zenaida macroura</i>	4	20
19	Yellow-billed Cuckoo	<i>Coccyzus americanus</i>	1	H
20	Chimney Swift	<i>Chaetura pelagica</i>	1	4
21	Killdeer	<i>Charadrius vociferus</i>	1	6
22	Lesser Yellowlegs	<i>Tringa flavipes</i>	1	3
23	Spotted Sandpiper	<i>Actitis macularius</i>	1	1
24	Ruby-throated Hummingbird	<i>Archilochus colubris</i>	1	1
25	Black Tern	<i>Chlidonias niger</i>	1	8
26	Double-crested Cormorant	<i>Nannopterum auritum</i>	1	1
27	Turkey Vulture	<i>Cathartes aura</i>	3	12
28	Osprey	<i>Pandion haliaetus</i>	1	2
29	Bald Eagle	<i>Haliaeetus leucocephalus</i>	2	2
30	Broad-winged Hawk	<i>Buteo platypterus</i>	1	2 + 1H
31	Red-tailed Hawk	<i>Buteo jamaicensis</i>	2	1
32	Yellow-bellied Sapsucker	<i>Sphyrapicus varius</i>	3	1 + 2H
33	Hairy Woodpecker	<i>Dryobates villosus</i>	1	1
34	Pileated Woodpecker	<i>Dryocopus pileatus</i>	2	H
35	Northern Flicker	<i>Colaptes auratus</i>	1	H
36	Great Crested Flycatcher	<i>Myiarchus crinitus</i>	3	1 + 2H
37	Eastern Kingbird	<i>Tyrannus tyrannus</i>	1	2`
38	Eastern Wood-Pewee	<i>Contopus virens</i>	1	1
39	Alder Flycatcher	<i>Empidonax alnorum</i>	1	1
40	Least Flycatcher	<i>Empidonax minimus</i>	1	H
41	Eastern Phoebe	<i>Sayornis phoebe</i>	1	2
42	Yellow-throated Vireo	<i>Vireo flavifrons</i>	1	1
43	Blue-headed Vireo	<i>Vireo solitarius</i>	2	1
44	Warbling Vireo	<i>Vireo gilvus</i>	1	H

45	Red-eyed Vireo	<i>Vireo olivaceus</i>	2	H
46	Blue Jay	<i>Cyanocitta cristata</i>	4	8
47	American Crow	<i>Corvus brachyrhynchos</i>	4	N/C
48	Northern Raven	<i>Corvus corax</i>	2	2 + 1H
49	Black-capped Chickadee	<i>Poecile atricapillus</i>	2	1
50	Golden-crowned Kinglet	<i>Regulus satrapa</i>	1	H
51	Purple Martin	<i>Progne subis</i>	1	10
52	Tree Swallow	<i>Tachycineta bicolor</i>	3	10
53	Barn Swallow	<i>Hirundo rustica</i>	3	15
54	Red-breasted Nuthatch	<i>Sitta canadensis</i>	1	H
55	White-breasted Nuthatch	<i>Sitta carolinensis</i>	1	H
56	Brown Creeper	<i>Certhia americana</i>	2	H
57	House Wren	<i>Troglodytes aedon</i>	2	2
58	Winter Wren	<i>Troglodytes hiemalis</i>	2	H
59	Common Starling	<i>Sturnus vulgaris</i>	4	N/C
60	Gray Catbird	<i>Dumetella carolinensis</i>	3	4
61	Veery	<i>Catharus fuscescens</i>	4	3 + 3H
62	Swainson's Thrush	<i>Catharus ustulatus</i>	1	H
63	Hermit Thrush	<i>Catharus guttatus</i>	1	H
64	Wood Thrush	<i>Hylocichla mustelina</i>	2	H
65	American Robin	<i>Turdus migratorius</i>	4	25+
66	Cedar Waxwing	<i>Bombycilla cedrorum</i>	4	10
67	House Sparrow	<i>Passer domesticus</i>	2	4
68	American Goldfinch	<i>Spinus tristis</i>	3	4
69	Chipping Sparrow	<i>Spizella passerina</i>	2	1 + 1H
70	Field Sparrow	<i>Spizella pusilla</i>	1	1
71	Dark-eyed Junco	<i>Junco hyemalis</i>	3	2 + 1H
72	Song Sparrow	<i>Melospiza melodia</i>	4	6
73	Eastern Towhee	<i>Pipilo erythrophthalmus</i>	2	1
74	Baltimore Oriole	<i>Icterus galbula</i>	2	1
75	Red-winged Blackbird	<i>Agelaius phoeniceus</i>	4	C
76	Brown-headed Cowbird	<i>Molothrus ater</i>	2	10
77	Common Grackle	<i>Quiscalus quiscula</i>	4	C
78	Ovenbird	<i>Seiurus aurocapilla</i>	4	2 + 3H
79	Northern Waterthrush	<i>Parkesia noveboracensis</i>	1	2
80	Prothonotary Warbler	<i>Protonotaria citrea</i>	1	1
81	Blue-winged Warbler	<i>Vermivora cyanoptera</i>	1	1
82	Black-and-white Warbler	<i>Mniotilta varia</i>	1	1
83	Nashville Warbler	<i>Leiothlypis ruficapilla</i>	1	1
84	Mourning Warbler	<i>Geothlypis philadelphia</i>	2	1
85	Common Yellowthroat	<i>Geothlypis trichas</i>	4	2
86	Hooded Warbler	<i>Setophaga citrina</i>	2	1
87	American Redstart	<i>Setophaga ruticilla</i>	1	2
88	Cerulean Warbler	<i>Setophaga tigrina</i>	1	1
89	Magnolia Warbler	<i>Setophaga magnolia</i>	1	1
90	Blackburnian Warbler	<i>Setophaga fusca</i>	1	2
91	Yellow Warbler	<i>Setophaga petechia</i>	2	2
92	Chestnut-sided Warbler	<i>Setophaga pensylvanica</i>	2	4
93	Black-throated Blue Warbler	<i>Setophaga caerulescens</i>	1	1
94	Pine Warbler	<i>Setophaga pinus</i>	1	2
95	Yellow-rumped (Myrtle) Warbler	<i>Setophaga coronata</i>	1	2
96	Black-throated Green Warbler	<i>Setophaga virens</i>	1	2
97	Canada Warbler	<i>Cardellina canadensis</i>	1	1

98	Scarlet Tanager	<i>Piranga olivacea</i>	1	H
99	Northern Cardinal	<i>Cardinalis cardinalis</i>	1	1
100	Rose-breasted Grosbeak	<i>Pheucticus ludovicianus</i>	2	1
101	Indigo Bunting	<i>Passerina cyanea</i>	1	1

A	Orchids and other flora	SCIENTIFIC NAME	B	C
1	Pink Lady's Slipper Orchid	<i>Cypripedium acaule</i>	1	Past Bloom
2	Showy Lady's Slipper Orchid*	<i>Cypripedium reginae</i>	1	400+
3	Yellow Lady's Slipper Orchid	<i>Cypripedium parviflorum</i>	1	3 Young
4	Downy Rattlesnake Plantain Orchid	<i>Goodyera pubescens</i>	1	8
5	White Fringed Orchid*	<i>Platanthera blephariglottis</i>	1	4
6	Club-Spur Orchid	<i>Platanthera clavellata</i>	1	10-15
7	Bog Candle Orchid*	<i>Platanthera dilatata</i>	1	12
8	Pale Green Orchid*	<i>Platanthera flava</i>	1	20-30
9	Greater Purple Fringed Orchid*	<i>Platanthera grandifolia</i>	2	1

6	Yellow Patches	<i>Amanita flavocinia</i>	1	1
7	Coral Tooth Fungus	<i>Hericium coralloides</i>	1	4
8	Salmon Eggs Slime Mold	<i>Hemitrichia decipiens</i>	1	20

*Appendices – note number are is in line with row number in the orchid and flora list.

The following have different names depending which authority or web-site you look at.

1. Pink Lady's Slipper (*Cypripedium acaule*) – also known as Moccasin Flower
2. Showy Lady's Slipper (*Cypripedium reginae*) – also known as Pink-and-white Lady's Slipper, or the Queen's Lady's Slipper
5. White Fringed Orchid (*Platanthera blephariglottis*) – also known as White Fringed Orchis, or White Fringed Bog Orchid.
6. Club-Spur Orchid (*Platanthera clavellate*) – also known as Small Green Wood Orchid, Little Club-spur Orchid, Little Club-Spur Bog Orchid.
7. Bog Candle (*Platanthera dilatata*) – also known as Tall White Bog Orchid, White Bog Orchid and Boreal Bog Orchid.
8. Pale Green Orchid (*Platanthera flava*) – also known as Northern Tubercled Bog Orchid, or Tubercled Orchid with subspecies (*Platanthera flava herbiola*)
9. Greater Purple Fringed Orchid (*Platanthera grandifolia*) – also known as Greater Purple Fringed Bog-Orchid.
10. Ragged Fringed Orchid (*Platanthera lacera*) – also known as Ragged Green Fringed Orchid or Green Fringed Bog Orchid.
11. Round-leaved Orchid (*Platanthera macrophylla*) – also known as Large-leaved Bog Orchid or Large Round-leaved Orchid.
12. Northern Green Orchid (*Platanthera aquilonis*) – also known as North Wind Bog Orchid.
13. Green Bog Orchid (*Platanthera huronensis*) – also known as Tall Green Bog Orchid, Huron Green Orchid or Lake Huron Bog Green Orchid.
14. Fen Orchis (*Liparis loeselii*) – also known as Fen Orchid, Loesel's Twayblade, Loesel's Wide-lipped Orchid, Yellow Widelip Orchid or Bog Twayblade.
18. Rose Pogonia (*Pogonia ophioglossoides*) – also known as Snakeshead Orchid or Adder's Tongue.
19. Tuberous Grass Pink (*Calopogon tuberosus*) – also known as Grass Pink.
22. Oblong-leaved Sundew (*Drosera intermedia*) – also known as Oblong-leaved Sundew, Spoonleaf Sundew, or Spatulate-leaved Sundew.

Here are just a few additional photos
